SUBJECT : Request for T, KH, SI Clearances for [REDACTED]

25X1

1. It is requested that [REDACTED]

25X1

[REDACTED] be granted T, KH, and SI clearances.

2. [REDACTED] is replacing [REDACTED] who is resigning on 20 February 1970, and will be responsible for designing the electronic screening breadboard scheduled for completion during the current phase of the NPIC/ATR program. In order to effectively perform this task, it is imperative that [REDACTED] be cleared as soon as possible.

25X1

3. [REDACTED]

25X1

[REDACTED] security officer submitted a request for an Agency SECRET clearance during the week 27-31 October 1969 through the West Coast Security Officer. A request for an Agency TOP SECRET clearance was submitted on 13 February 1970, which will require a field check. Since the T, KH, SI clearance depend upon the speed with which the field check can be accomplished, it is requested that every effort be made to expedite that phase of the investigation.
